User Group Meeting

2005 MRC User Group Meeting was successfully held on June 3, 2005 (Friday) in Park Lane Hotel

Over 50 clients attended the meeting and enjoyed sharing their experiences with other HR professionals.

The highlight of the event was Mr. Kenneth Lai,

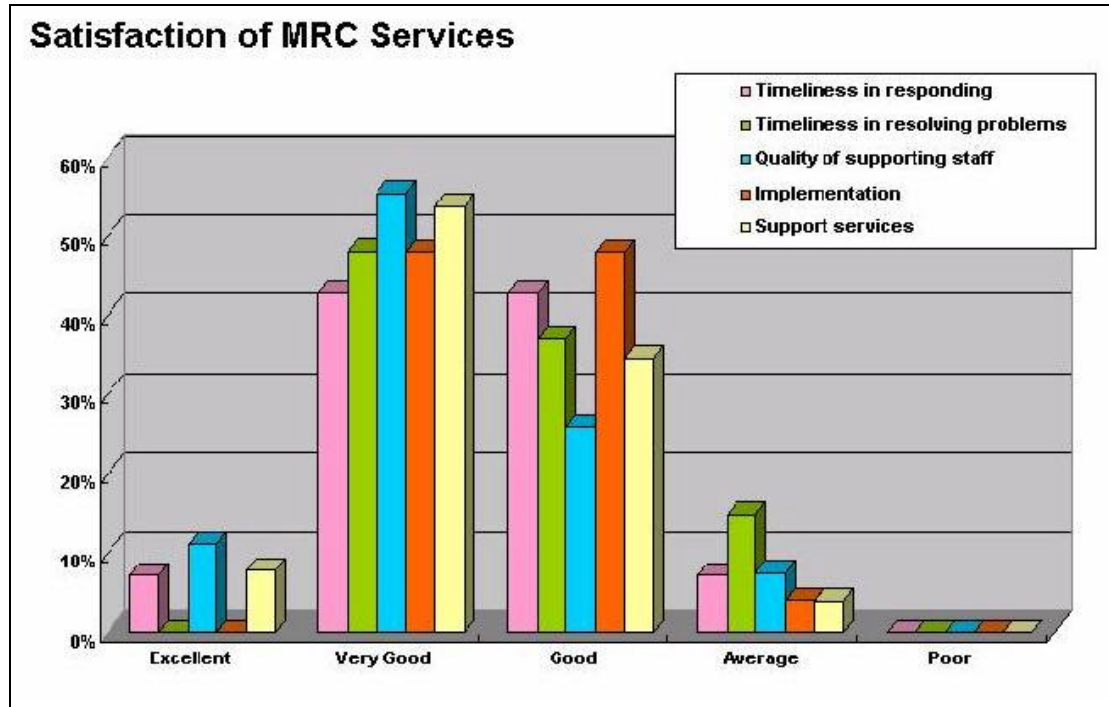

Executive Director – HR, of Bank of China International shared his success story with all participants. He have provided a 30 minutes talked, detailing his past 3 years experience in conducting a multi-dimensional performance appraisal system for BOCI. Besides, sharing his experience, he had pointed out how he worked with MRC to improve the assessment process each year.

For anyone who wants to have a copy of Mr. Kenneth Lai PowerPoint presentation, please contact us.

For more information, please visit our web site <http://www.mrchr.com>

To improve our service quality, as previous year, a survey was conducted. The result is

Staff

Our senior technical support officer, Mr. Xiao Xiao Hong, re-joined our PRC office on June 2005. During the past 14 months, Mr. Xiao was running his software house. MRC believes that as an employer, we should support our staff, even we are sad to loose a talent. Mr. Xiao 's re-joining MRC is a good example that MRC is capable to retain their staff.

R&D

Microsoft scheduled to release their new database - MS SQL2005 in November 2005. MRC have completed the testing of our MRC HR Podium V3.5 using the beta version of MS SQL 2005. Further testing will be conducted after the official launching of the product.
