New Product & Services

HR Portal

Basic functions and features are well developed, we have received favorable comments from some of our clients. New ideas and suggestions for improvements from our clients were reviewed by our R&D and Customer Support staffs. MRC will work on their comments and include the elements which are commonly required and incorporate into our system before product launching (Nov 2009).

One of our new function – “Pop up Message” has been added to MRC HR Portal.
